Spotlight 3

"[I]t would be easy to look for ways to help learners learn alone, using the wonders of technology. The same technology could give learners the experience of helping others they love, to learn with them."
—President Henry B. Eyring (**The Temple and the College on the Hill** ▷ **(http://www.byui.edu/a/73202)** , June 2009)

Timbuktu, Mali 999
